

Whitechapel Mission
Always the homeless first

Grab your trainers and run 10K past famous London landmarks

Support the homeless in London by raising sponsorship for the Whitechapel Mission

Run with a Mission

9th July, 2017

This event is a major fundraising opportunity for the Whitechapel Mission and we really need your help to make 2017 our best year yet.

On Sunday 9th July, The Whitechapel Mission needs to field a team of 150 runners in the British 10k London Run.

We will cover the cost of your race entry up front – we only ask that each runner raises as much sponsorship as they can. There is of course, no maximum! Runners are welcome to run and fundraise as part of a team or individually.

If you would like to be part of this special event, please visit our website at www.whitechapel.org.uk or call Jenny on 020 7247 8280
